Memo from the Desk of

JOHN V. HINKEL

25 July 1980

MEMO TO Mr. Herbert Hatu:

You may be interested in the enclosed "handouts" from the Schaap-Wolf press conference at the National Press Club on 21 July.

Approximately 20 media persons attended, although we could not find any coverage of the conference in the Washington or New York press.

In addition to the enclosed, Copies No. 6, 7, 8 and 9 of the COVERT ACTION INFORMATION BULLETIN were made available to the media. We presume you have them. If not, we have extra copies to give you.

We are preparing a brief report on this conference and will forward a copy to you for your information.

Sincerely yours,

John V. Hinkel
